This is the place to be.

Where everything you create is wrapped in the immediate embrace of an enthusiastic audience. You are the experience, navigating the internet as you emboss your mark on the world. It’s always been a noble undertaking. Nothing can rupture the whirl of your search engine. People, life and existence, conceive your brightest ideas, always sparking your curiosity and amplifying your connections.

Dynamic and all-encompassing. It’s so MozFest. This festival is like you, one of a kind.

Does art have to be original or an experience?

What is the digital world’s impact on the artistic world?

Join us at Mozilla Festival to explore these questions and more as we dissect our digital landscape from AI to art and technology. Enjoy some of the globe’s most exciting, inspirational, educational art, activism, and maker creativity, for, by, and about people who ❤ the internet.
