Description	Don't need to know where you find inspo, but happy to help you get there @natashacaudill	Go on — search for secret hiding spots @crappycakeart. Firefox isn't watching you.	We're not interested in knowing where you're going. @johnnyviti	Firefox doesn't need to know your secret spots. But thanks @bored_in_chicago.	What you make art about is your business. Paint on, @juliahagen_art
