

Edit PDFs in Firefox

Goodbye, old friend!

Dear _____ ,

Type the name of your printer using the text tool

We have been together since _____ , but now it is
time to say goodbye.

Type a date

Thank you for

- the many pages printed
- the printing of black text despite an empty yellow cartridge
- the regular paper jams
- _____

Add your own

May your paper tray always be full and your cartridges only
ever originals.

You left your prints on my heart. <3

Best,
